Dear Mr. Boyd,

On behalf of York Comprehensive High School, thank you for the grant from T.E.A.M. Foundation. Please express our gratitude to all involved. This contribution will allow us to purchase laptops for some of our financial disabled students to use when enrolling in dual credit courses in high school. This will ensure the students have the resources to be successful on the college level.

I would like to commend Ms. Crystal Jackson for promoting the T.E.A.M. Foundation. She was very instrumental in helping us acquire this grant. It was a pleasure to meet her and learn about Times Oil Corporation.

Thank you for your support of YCHS. We are proud to have Times Oil located in our community. We look forward to continuing a partnership with your company.

With sincere appreciation,

Diane C Howell
